

LOX. Design: PearsonLloyd.

The bucket seat Lox reflects the spirit of the times. The clear silhouette with its flowing lines is pleasantly inviting: sculptural in shape, minimalist in materials, comfortable for the owner. On the outside, the sweeping bucket supports your back. Inside, the seat and back pads ensure comfort. On a tubular steel base, a four-star base or a five-star base with castors, Lox swivels slightly.

Product description

Design awards

Modell no.

1351/1352/1353/1354/1357/1358
